

Privacy Statement and Disclaimer:

The protection of your personal data is very important to us. We process your data exclusively in accordance with the legal regulations (GDPR, TKG 2003). In this data privacy statement we inform you about the most important aspects of data processing on our website.

Online Content

The author takes no responsibility for the timeliness, accuracy, completeness or quality of the information provided. The author is in no event liable for damages of any kind incurred as a result of the use or non-use of the information presented on this website or the use of defective or incomplete information unless the author has been acting deliberately or in a wantonly negligent manner. The contents of this website are subject to confirmation and not binding. The author expressly reserves the right to alter, amend or remove pages, whole and in part, without prior notice or to discontinue publication for a period of time or even completely.

References and Links

In case of direct and indirect references to third-party Internet pages ("hyperlinks") the author is not responsible for, the author can only be made liable if he/she was aware of the content of the website or if it would have been reasonable and technically feasible to prevent the use of websites with illegal content. The author hereby explicitly states that, at the time of setting the link, there was no evidence of illegal content on the respective website. The author has no influence on the current or future design, the content or the copyright of the linked website. Therefore, the author dissociates him-/herself explicitly from all changes concerning the contents of linked pages that were made after the link was set. This statement is valid for all links and references within the website created by the author as well as for links and references from third parties in guestbooks, discussion forums, lists of links, mailing lists or any other databases the contents of which are accessible and can be modified externally. The provider of the linked page is exclusively responsible for illegal, defective or incomplete contents and especially for damages resulting from the use or non-use of the information presented on the linked page. The author referring to the page through a link is not liable for any of the above.

Copyright and Trademarks

The author aims to observe the copyright of any graphics, audio documents, video sequences or texts in all publications, to use his/her own graphics, audio documents, video sequences or texts or to make use of license free graphics, audio documents, video sequences or texts. All trademarks and brands mentioned on the website, including those protected by third parties, are without limitation subject to the provisions under the respective labelling law and the rights of the copyright holder. The sole mentioning of a trade mark on this website should not lead to the assumption that it is not protected by the rights of a third party! The author of the website has the exclusive copyright to all published objects created by him-/herself. The reproduction or use of any such graphics, audio documents, video sequences or texts in other electronic or printed publications is prohibited without the author's express consent.

Data Protection

Insofar as any of the pages of this website offer the possibility to enter personal or business data (e. g. e-mail addresses, names, postal addresses, etc.), the disclosure of this data by the user is completely voluntary. If technically feasible and where reasonable, using all services offered and paying for them is allowed without disclosing personal information or by use of anonymised data or aliases. Third parties are prohibited from sending unsolicited information to mailing addresses, phone or fax numbers or e-mail addresses published on the imprint page or similar pages. We reserve the right to take legal action against anyone violating this prohibition by sending so-called spam.

Your Rights (GDPR)

The information entered by the user through the contact form will only be used for business correspondence and deleted upon written request in accordance with GDPR. The user has the right to obtain information on data collected from him/her. The user has the right to access, rectification, deletion, restriction, revocation and portability of personal data, as well as opposition to the use of thereof. If you believe that the processing of your data violates data protection law or that your data protection rights are violated in any other way you can turn to the respective supervisory authority. In Austria it is the Data Protection Authority (Datenschutzbehörde). You can reach us through the menu option «Contact».

Google Analytics

This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). We entered into the corresponding data processing agreement with the provider. The relationship to the web analysis provider is based on an adequacy decision of the European Commission ("Privacy Shield"). The data procession is done in accordance with the statutory provisions set out in sec. 96 par. 3 of the Telecommunications Act (TKG) as well as in art. 6 par. 1 lit. a (consent) and/or f (legitimate interest) of the GDPR. Google Analytics employs the so-called "cookies", text files that are stored to your computer in order to facilitate the analysis of your movements within the website. You may refuse the use of cookies by adjusting the appropriate browser settings. However, please note that if you do so, you may not be able to make full use of all the functions of our website. The information generated by the cookie about your activity within the website (including your IP address) is transmitted to and stored by Google on servers in the United States. This information is then used to evaluate visitors' use of this website, compile statistical reports on website activity and provide other services relating to website activity and internet usage to the website provider. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. By using this website, you consent to the processing of data about you by Google in the manner and for the purposes set out above. You can refuse the collection and storage of the data effective now and in the future. This website utilizes the Google Analytics extension "_anonymizeIp()" and will therefore only process IP addresses in a shortened form which does not enable individual identification of the user. For more information please see the following link: <http://www.google.com/privacy/privacy-policy.html>

Cookies

Our website makes use of so-called cookies. Cookies are small text files that your internet browser downloads and stores on your computer. They don't cause any damage. We use cookies to improve our website. Some of the cookies stay stored on your computer until you delete them. They allow us to automatically recognize your browser on your next visit. You can prevent that by adjusting the settings on your browser software to deactivate cookies completely or to get alerts about cookie downloads and allow that only in certain cases. You should be aware, that by deactivating cookies you may not be able to make full use of all the functions of our website.

Newsletter

Our website offers you the opportunity to subscribe to our newsletter. To receive our newsletter, we require your email address and your permission to send you our newsletter. Once you have signed up for our newsletter we will send you a confirmation email with the link to confirm your subscription. You can cancel your subscription any time. Please send your cancellation to the following email address: [contact]. We will then delete all your data regarding the newsletter subscription.

Contact

When you contact us either by email or by using a contact form (Instant Contact / Shipping Notification or E-Mail Contact) your information (name, surname, company, email address) is stored for the purpose of processing your inquiry and answering follow-up questions. It will be deleted on your request. No data is transferred to third parties without your consent.
